ATLANTIS

A modern interior space featuring a dining table, kitchen area, and large windows. The dining table is round and made of light wood, surrounded by matching wooden chairs. In the background, there is a kitchen area with a white countertop, a sink, and a backsplash of dark tiles. Two large, white, spherical pendant lights hang over the kitchen. To the right, a staircase with wide, light-colored steps leads up. Large windows on the right side offer a view of the ocean and a green landscape. A white, curved sofa is visible in the lower right corner. The floor is covered in large, dark, rectangular tiles with a natural stone pattern.

CEMENT VIBES

A modern bathroom interior with a minimalist aesthetic. In the foreground, a white, oval-shaped freestanding bathtub sits on a light-colored tiled floor. Behind it, a walk-in shower area is visible, featuring a wall with a vertical, textured pattern and a black showerhead. To the left of the bathtub, a black faucet is mounted on the wall. Two white, spherical pendant lights hang from the ceiling. A small, dark wooden stool with a bowl on top is placed near the bathtub. A towel hangs on the wall in the background. The overall color palette is neutral, with light beige walls and floor, and dark accents.
